ORANGE TURNPIKE

HAER No. NY-312

A 4,200 foot length located between the intersection of the new alignment of the Orange Turnpike and Harriman Heights Road at its southern end and a point on the new alignment of the Orange Turnpike .3 mile north of the intersection of said road and Mombasha Road at its northern end  
Monroe  
Orange County  
New York

Photographer: Rob Tucher

June and July 1997

- NY-312-1      Aerial view of turnpike path running diagonally up from lower left (present-day Orange Turnpike alignment) and continuing on towards upper right through tree clump in center of the bare spot on the landscape, and on through the trees. View looking south.
- NY-312-2      Aerial view of turnpike path running through center of photograph along the row of trees within the bare spot on the landscape. Harriman Heights Road is the road located at the lower center of the photograph. View looking west.
- NY-312-3      Aerial view of turnpike path showing realignment of 1917. Modernized Orange Turnpike visible running diagonally up from lower left to open area where it veers to the west around the Migel Estate. The beginning of the realignment is located by the cluster of white trailers. Original alignment visible as a row of trees cutting through the bare landscape. View looking northwest.
- NY-312-4      Aerial view of turnpike path running through center of photograph along row of trees. South edge of original alignment visible at left at cluster of white trailers. North edge of original alignment visible at right at the W.K. Smith house (HABS No. NY-6356-A) at the top right corner. Migel mansion visible on ridgetop at right-center of photograph, surrounded by trees. View looking west.
- NY-312-5      Aerial view of turnpike path running through center of photograph along row of trees. 1917 realignment visible along left edge of photograph along edge of forest. Modernized alignment resumes at top right of photograph. View looking north.

- NY-312-6      Aerial view of turnpike alignment running from lower left diagonally up to right along row of trees. Migel Estate and Farm buildings (HABS No. NY-6356) located at lower right of photograph. W.K. Smith house (HABS No. NY-6356-A) located within clump of trees at lower center, with poultry houses (HABS No. NY-6356-F and -G) visible left of the clump of trees. View looking south.
- NY-312-7      South gate to Migel Estate and Farm along original alignment. Gate located at intersection of Orange Turnpike and Harriman Heights Road. View looking north.
- NY-312-8      View along original Turnpike alignment, from intersection with Migel mansion drive. View looking south.
- NY-312-9      View along original Turnpike alignment at halfway point between W.K. Smith house and mansion. View looking south.
- NY-312-10     West gate at new alignment of Turnpike. View looking northeast.
- NY-312-11     View along Turnpike remnant north of W.K. Smith house. View looking north.
- NY-312-12     Detail of mile marker, reading "14 Miles to G Goshen." View looking north.
